It's my second comic by Dear plus-san
Thank you for picking up this book!

It was very fun drawing this as it's a story that includes many of the things I like.
The couple for this story seems to be the most plain out of all the characters I've drawn so far, but I really like the interaction between the somewhat similar, yet polar opposite characters.

Even if it's just a little, I'm happy if you felt something from this book.

I sincerely thank all my readers, editor-sama, my assistant Mame-san, and all of you involved in the production of this book.

Minaduki Yuu

T/N: The first character for the name Inuyama means dog, so he's talking about Inuyama
